Simple sine functions with different phases and frequencies

A1 Frequency = 0.3 Hz

A2 Frequency = 0.5 Hz

A3 Frequency = 0.9 Hz
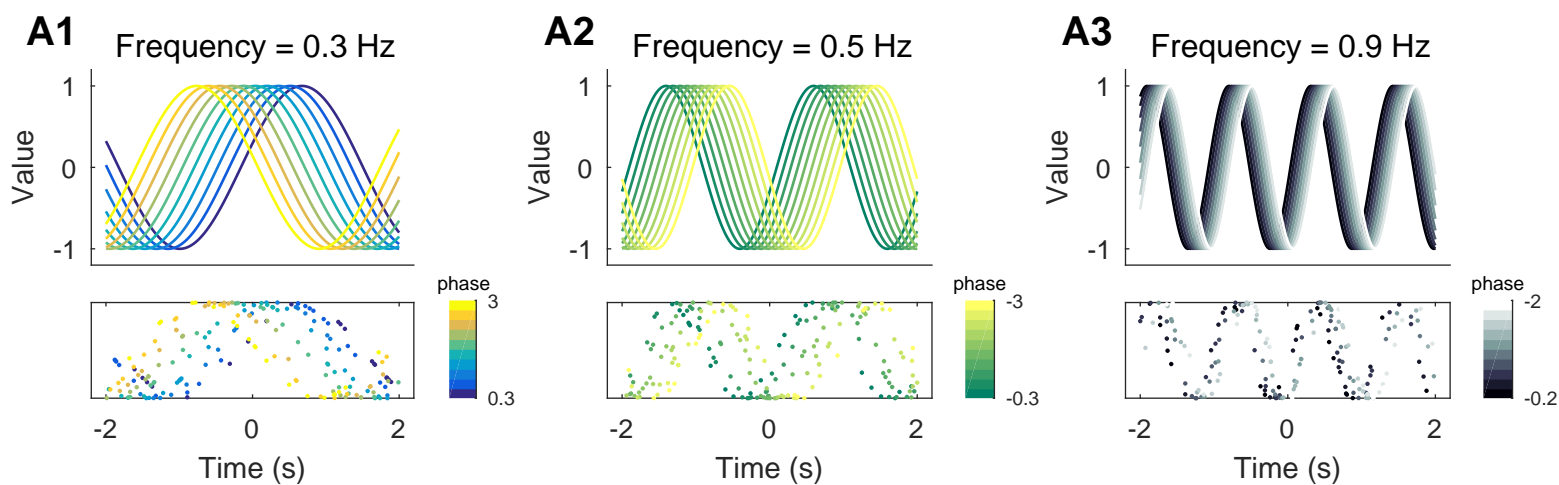

A random pixel plot and mixed frequency sine

B1 I'm a TV

Shut up, I am

I'm so random

B2 Mixed frequencies

[0.5, 5.0, 11.0] Hz
[0.1, 1.0, 7.0] Hz
[0.2, 3.0, 9.0] Hz
